CC Help and App Learning Portal
http://learn.adobe.com
Portal to self-paced learning and many downloadable tutorial files (scroll down the page and click on the app icons to get to individual product portals)

Mobile Apps
https://www.adobe.com/creativecloud/catalog/mobile.html
Many of the Adobe mobile apps are interoperable with desktop apps— (ie; saving to colors, shapes, type and textures to CC Libraries via Adobe Capture) or literally sending art work created on a mobile app directly to desktop app (ie; Adobe Draw sends vector based art directly to Illustrator as editable/layered vectors)
